## President's Message.....

Dear Friends,

It is with profound gratitude and a deep sense of responsibility that I take over as President of the Rotary Club of Mangalore North for the year 2026-27. I thank each member for the confidence placed in me and for the opportunity to lead a club renowned for its fellowship, service, and commitment to the community.

My Rotary journey began only four years ago, yet it has been one of the most enriching experiences of my life. From serving as club secretary in 2024-25 to being recognized as a Paul Harris Fellow +3 within a short span, I have witnessed how Rotary transforms not only the communities we serve but also the individuals who serve. These experiences have strengthened my conviction that service, when combined with compassion and teamwork, can create a lasting impact.

As we begin this new Rotary year, I envision a club that is vibrant, inclusive, and action-oriented. Our focus will be on meaningful and sustainable projects in education, healthcare, environmental stewardship, and community welfare, while also nurturing leadership among our youth and strengthening member engagement.

The success of our club will not be measured merely by the number of projects we undertake, but by the lives we touch and the hope we inspire. I invite every member to participate wholeheartedly, share ideas freely, and work together in the true spirit of Service Above Self.

Together, let us build on our proud legacy and continue to create lasting impact in our community and beyond.

Yours in Rotary Service,

**Rtn. Sudarshan Nayak, President 2026-27**
