DISTRICT GOVERNOR'S MESSAGE

My Dear Rotary Family of Aabahamaan Kolkata,

On the joyous occasion of the Installation Ceremony of Rotary Club of Aabahamaan Kolkata, I extend my heartfelt appreciation to **Outgoing President Rtn Mili Maitra** and her dedicated team for their exemplary leadership and service during Rotary Year 2025-26. As we welcome a new chapter, I warmly congratulate **Incoming President Rtn Ananya Guha** and her team. May your energy, dedication and innovative spirit guide the Club to greater heights of service, inclusivity and peace in Rotary Year 2026-27. MESSAGE OF CLUB PRESIDENT

With deep gratitude and a profound sense of responsibility, I write my first message as your president. Thank you for entrusting me with the privilege to lead our club as we **Create Lasting Impact** together this year.

Rotary's strength lies in the lives we touch. For 2026-27, Aabahamaan Kolkata will mainly focus on three pillars of our community by undertaking appropriate sustainable projects for them.

Children — Because every child deserves good health, education, and hope.
Youth — Because they are not just tomorrow's leaders, they are the pillars of a strong society today.

Senior Citizens — Because those who built our society should never feel forgotten and uncared and should be supported with dignity.
I can not do this alone. I request every member to own at least one small part of these goals. Your time, your ideas, and your partnership will drive our impact.

Let us make Aabahamaan Kolkata known this year for compassion, action, and impact. The President's collar I wear belongs to all of us. Together, let's make it proud.

Rtn Ananya Guha
President 2026-27

Club Secretary's Message

I express my heartfelt gratitude to all my fellow Rotarians of our Rotary Club for electing me as Secretary for second successive year. I believe that with the support of our President and all esteemed members, we will be able to rise to the occasion as a team to plan, undertake and execute such projects as will **Create Lasting Impact** on the society, particularly the underprivileged ones. We have to emphasize, among others, on **Women Empowerment**, without which society can't achieve balanced growth. I urge upon all the members to engage in Club activities with a sense of **Service above Self** so that our beloved Rotary Club of Aabahamaan Kolkata can attain newer heights.
