यशाचे पंचतंत्र

On 30th March 2026, we had a wonderful session of Yashache Panchatantra at Dnyanpeeth Vidyalay, where 65 students of the 9th standard truly benefited from an engaging and activity-based motivational session. The session

beautifully highlighted the importance of five core values in life in a way that was both relatable and impactful for the students. It was coordinated by Neha and very well conducted by our First Lady, Vandana Vartak. The joy on the students' faces when they received their medals was simply priceless — a moment that said more than words ever could.
